This is Our Story – These are Our Songs – Zion Choral 1957-2006 **50 Year Compilation CD series**

Zion Choral is pleased to announce the production and release of a three compact disc series featuring selected anthems from each of our programs over 50 years. With the help of several Zion Choral members listening to many of the nearly 1,000 original recordings from aluminum one-side albums, vinyl records and cassette tapes, our music history is now available to enjoy all over again, having been digitally re-mastered by our studio production team.
